

APPLICATION TO EXHIBIT

General Information Exhibits that advance radar technology development are solicited for the 2010 IEEE International Radar Conference, (combined with the IEEE Radar Conference Series) to be held in Washington DC, May 10-14, 2010 . The series of IEEE Radar Conferences, in conjunction with the International Radar Conference, has grown to be the most important radar conference series in the world - bringing together innovators, leaders, and users from the civil, space, and military communities to address important issues and share the most recent advances in radar. The conference and the exhibits will be held at the Crystal Gateway Marriott. Exhibit space for a minimum of 20 exhibits, occupying 8' x 10' booths, has been arranged and spaces have already been solicited so please reserve your space now.

A booth package included in the basic exhibitor's fee (\$2000.00 per booth) consists of an 8' deep x 10' wide booth space with:

- 8' high backwall and 3' high side drape
- 6' skirted table
- Two (2) opal side chairs
- One (1) Wastebasket
- 7" x 44" one-line ID Sign
- Some meals included

The exhibit time will be as follows:

Schedule of Setup/Tear Down:

Date	Start Time	End Time	Function	Room
05/10/10	8:00 AM	11:00 AM	Decorator - Move In	Salon V
05/10/10	11:00 AM	4:00 PM	Exhibitor Move-In	Salon V
05/11/10	8:00 AM	5:00 PM	Show Open	Salon V
05/12/10	8:00 AM	5:00 PM	Show Open	Salon V
05/13/10	8:00 AM	5:30 PM	Show Open	Salon V
05/14/10	1:00 PM	4:00 PM	Exhibitor Move Out	Salon V
05/14/10	1:00 PM	5:00 PM	Decorator - Move Out	Salon V

The exhibits cocktail reception will be held from 5:30 PM to 7 PM on May 11, 2010. Booth space will be determined by receipt of both the completed application and the required 25% deposit for the total number of requested booths. Booth location layouts will be provided as soon as they are available.

TERMS AND CONDITIONS

- 1. EXHIBIT BOOTH SPACE LOCATION:** Applicant's request for space and date of deposit determine the order of exhibitor's booth space location assignment. After assignment confirmation by the 2010 IEEE International Radar Conf., exhibit location may not be changed except by mutual agreement in writing.
- 2. PAYMENT SCHEDULE:** The Applicant shall remit as a deposit with this application at least 25% of the total booth rental until 5 January 2010. The balance is due and payable on or before 15 March 2010, in default of which the 2010 IEEE International Radar Conference reserves the right to cancel this application, retain the deposit as compensation, and reassign the space to another exhibitor. After 5 January 2010, the full booth rental shall be remitted.
- 3. CANCELLATION:** In the event of cancellation of this Application by the Applicant prior to the date of the conference, the 2010 IEEE International Radar Conference may assess a cancellation charge up to the amount listed according to the following schedule:
 - Cancellation on or after 15 March 2010: **100% of booth rental**
 - Cancellation on or before 14 March 2010: **25% of booth rental**
- 4. ACCEPTABILITY:** If the 2010 IEEE International Radar Conference does not accept this application, the Applicant will soon be notified and the deposit returned.
- 5. OTHER CHARGES:** The Applicant agrees to accept from the 2010 IEEE International Radar Conference, after the conference, any billing of charges resulting from other services performed and administered by 2010 IEEE International Radar Conference at the written request of the Applicant. These charges may include a surcharge on services ordered by the Applicant through the 2010 IEEE International Radar Conference as agent. The Applicant shall pay the total of such charges no later than 30 days after receipt of invoice. Other services include, for example, telephone service to the booth.
- 6. HOLD HARMLESS:** The Applicant shall indemnify, defend, and hold harmless the 2010 IEEE International Radar Conference, its Organizing Committee and its agents, against any and all loss, damages, and claims which the 2010 IEEE Int. Radar Conf. may at any time hereafter bear, sustain, suffer, be at, or be put to resulting from any act of commission or omission, matter or thing done or omitted to be done pertaining to the 2010 IEEE Int. Radar Conf. The exhibitor assumes the entire responsibility and liability for losses, damages, and claims arising out of exhibitor's activities on the Hotel premises and will indemnify, defend, and hold harmless the 2010 IEEE Int. Radar Conf., its Organizing Committee, the Hotel, its owner, and its management company, as well as their respective agents, servants, and employees from any and all such losses, damages, and claims.
- 7. FORCE MAJEURE/INABILITY TO PERFORM:** If the 2010 IEEE International Radar Conference should be prevented from conducting the conference with exhibits by any cause beyond its control (such as fires, strikes, civil disturbance, Governmental action, Acts of God, etc.) or if it cannot permit the Exhibitor to occupy his space due to circumstances beyond its control, this agreement may be terminated by the 2010 IEEE Int. Radar Conf. and the Applicant waives any and all claims for damages arising there from. The Applicant further agrees that the 2010 IEEE Int. Radar Conf. liability is limited to a refund of moneys paid in prior to termination, less a pro rata adjustment based on the number of hours the Exhibit shall have been open prior to the termination. This provision shall not relieve the Applicant of any liability arising from the provision of section 5 and all moneys due the 2010 IEEE Int. Radar Conf. in that regard shall be paid notwithstanding.

Exhibit Rules

A. DISPLAY REQUIREMENTS AND RESTRICTIONS: The Exhibitor assumes all responsibility for compliance with local, City and State ordinances and regulations covering fire, safety, and health. All exhibit equipment and materials will be reasonably located within the booth and protected by safety guards and devices where necessary. Only fireproof materials should be used in displays and the necessary fire precautions will be taken by the Exhibitor. Displays must be self supporting and nails or screws are not permitted in building floors, walls, or columns. Displays must be wholly confined within the exhibitor's 8' wide by 10' long by 8' high booth volume and must not obstruct the clear view of nearby exits or other exhibits. No exhibit may exceed eight feet in height, and that only within the area extending three feet from the back wall. Maximum height of the displays in the balance of the area is four feet, except that products to stand on the floor may extend higher than this limit, but must be positioned as close to the back wall as possible, to avoid blocking the view of adjoining exhibitors. EXCEPTIONS TO REQUIREMENTS & RESTRICTIONS OUTLINED IN THESE RULES WILL BE CONSIDERED BUT MUST BE SUBMITTED TO THE 2010 IEEE International Radar Conference IN WRITING PRIOR TO THE DATE OF FULL PAYMENT. The 2010 IEEE International Radar Conference reserves the right to restrict or prohibit the use of glaring lights, objectionable lighting effects, excessive or bothersome noise, or other effects which distract from the exposition as a whole.

B. LIABILITY AND THEFT: The 2010 IEEE International Radar Conference and hotel management will not be responsible nor liable for injury to person or property, nor loss of property of exhibitors, their guests, invitees, employees, or agents. Furthermore, the exhibitor agrees to defend or hold harmless the 2010 IEEE International Radar Conference and its Organizing Committee and agents from any liability of personal injury and loss or damage to property. EXHIBITORS SHOULD INSURE AGAINST SUCH CONTINGENCIES. Damage to inadequately packed property is exhibitor's own responsibility. If exhibit fails to arrive, exhibitor is, nevertheless, responsible for booth costs. Exhibitors should be on hand for display set up and dismantling. At move out, arrangements should be made to place high value items under lock and key. A person assigned booth duty should remain with the exhibit until visitors have left the premises at the closing hour each day.

C. DRAYAGE/MATERIAL HANDLING: The 2010 IEEE International Radar Conference has arranged for Freeman to handle exhibitor's material into, out of, and within the hotel. All drayage expenses are the responsibility of the Applicant.

D. SECURITY: The normal hotel security PRECAUTION DOES NOT GUARANTEE EXHIBITORS AGAINST LOSS; NEITHER DOES IT IMPLY AN ASSUMPTION OF LIABILITY FOR EXHIBITOR'S PROPERTY BY THE 2010 IEEE International Radar Conference.

E. INTERPRETATION/AMENDMENTS TO RULES: The 2010 IEEE International Radar Conference has final authority as to the interpretation of these terms, conditions, and rules and reserves the right to amend them. All amendments so made shall be equally binding on all parties affected by them as by the original regulations.
